

Become a part of the team

Gifted and devoted teachers are always needed to serve in the 21st Century Sunday School. To prepare for this area of service, required continuing education is provided to develop teaching skills and methods.

Training topics include:

- Preparing the lesson
- Creating a teaching strategy
- Learning styles
- Application ideas
- Using teaching aids

After completing each training module, teachers receive a teaching level designation.

Teaching level designations are:

- Instructor
- Certified instructor
- Master instructor-in-training
- Master instructor

The 21st Century Sunday School

Mt. Zion Apostolic Church • Indianapolis, Indiana

The 21st Century Sunday School is our Sunday morning Christian education experience. We believe that we cannot fully know God without knowing His Word; therefore, instruction for children, teens, and adults of all ages is provided through relevant and exciting classes each week. Our purpose is to develop an educational foundation of God's Word to equip and train students for His service through all phases of life.

What to expect:

- Word of God explained
- Certificates of Appreciation
- Perfect Attendance Awards
- Scholarships
- Promotion Sunday
